Hi Denise,

The Illinois River WECARE went out Monday and the AR 303(d) went out yesterday. Stacey and Rich were both cc'd on the transmittals. I apologize for not keeping you in the loop.

Thanks so much.

Taim.

Stacey,

This is what has been supplied by COB on 7/5/17. The Crossett document has been forwarded to Olivia from Monica already. Taim didn't copy me if anything went on Illinois River and AR 303(d). I don't remember hearing about Denka as still a hot issue for us, although it appears that Sam will be there on July 13. Kay provided info that is not in "We Care" format so I'm not forwarding to Olivia today.

The ATT0003 attached documents says Johnathan expects the We Cares by noon on July 6, so if there is need other than Crossett, there is still time early in the morning.
